Conference paper presentation:

The Conference languages are Italian, English and French. The Scientific Committee reserves the right to refuse to accept the presentation of papers that do not fall within the thematic area of the Conference or which do not meet the requirements of scientific evaluation. For your information, the acceptance of the paper for presentation at the conference means that the work will be published only to the extent that it also fulfills the Conference Proceedings formal and substantive criteria.

Publication opportunities:

Each participant may submit one paper as first author or as co-author. The paper will be written in Italian, English and French.

Full papers which have been through the peer review process and are accepted will be published during Summer 2024 in the Conference Proceedings' volume.

Please read carefully the Author guidelines in the **Call for Papers**.

We recommend preparing your paper directly on the template. Papers submitted in a different format, as well as in the case of non-compliance with the requirements for formal editing of the text, will be returned to the authors for rewriting.
